Where is campinVDub.co.uk based?

We live in Bagshot in Surrey, known for its famous royal residents, Edward and Sophie Windsor and Penny Hill Park, where the England Rugby Team train. Our campervans are kept nearby but minutes away from Junction 3 off the M3. Exact details of where will be provided once a hire period is fully paid for.

How old do I have to be to hire from campinaVDub.co.uk?

Our insurance covers us for drivers aged 25–70. There are exceptions allowed outside of this age range but this would need to specifically agreed with the insurance company.

Are dogs allowed in your campervans?

We are great lovers of dogs and have two vans for hire – [Wilf](#) and [Daisy](#) – which we allow dogs to travel in. [Patsy](#) is completely pet free as we appreciate that some people have severe allergies to pet hair but will still love to camp in a VDub. A maximum of two small dogs or one large dog is allowed. There will be an additional charge of £40 per hire to cover for additional cleaning.

How can we contact you?

You can contact us in three ways via email at info@campinaVDub.co.uk, using our Enquiry Form under [Contact Us](#) or by telephone on 0871 234 4331

Is there any mileage restriction on use of the vans?

Included in the cost of the hire are 500 kilometers. We work in kilometers and not miles due to the distance counter being in kilometers. Don't worry, the speedo is in Miles! Any distance travelled over 500 kilometers will be charged at 10p per kilometer.

Can I leave my car with you?

Your car can be kept in our securely locked compound for the duration of your hire, but it is left at your own risk.

Do you supply car seats for babies and children?

We do not provide car seats for babies or children. Our view is that all parents will have these facilities available to transfer from their own cars.

Can child seats be fitted into the back seat?

The back seat of all our vans has three seatbelts. Car seats can be anchored by either the 3-point regular seatbelt or by the 4-point harness. The other seat belt is a lap belt.

Can we take the van to Europe and Ireland?

Yes of course. We have insurance cover for the UK and Europe to give you as much scope as possible for your adventure. We also provide the necessary headlamp deflectors and two-pin mains electricity adapter, for when you are visiting friends in a gite or cottage.
